We are so sorry to hear such sad news. Terry was a one of a kind character. He had more energy than any person we have ever known. We once followed him through the city to get to Mr. B's for lunch...up & down streets & alleys, through buildings, & even through a kitchen somewhere. It was a memorable experience. Jazz Fest, French Quarter Fest, Mardi Gras, LSU & Saints games, fishing trips....you name it, he was there. His enthusiasm for life was remarkable and his love for his family was obvious. Our prayers are with you, his loved ones.

Terry, We are so grateful to have been blessed to know you. May your spirit be dancing in heaven!

*My brother was one of a kind. He left this world much too soon. So sad for all of his family and friends. I know he is with my beautiful mother, his little sister Susie and loving brother Gene. His passing was unexpected and I am thankful for the time I spent with him. Still having a tough time accepting he is no longer with us physically. He had a strong spirit. I loved him dearly and have my memories of happy times spent with him. Terry you are missed. I love you, Jane*

“ Betty, even though we haven't seen each other in a long time, I can't begin to express how deeply saddened our family is at Terry's passing. When I worked for Richard, I'd get to see Terry at least once a year. I'll always remember that awesome smile, great sense of humor and the twinkle in his eyes. I'm sure that he was as wonderful a Grandpa as he was a husband and father. Y'all have been through so many upheavals and sadness yet you managed it together for 42 years. I hope Richard and I reach that milestone. I will pray for your whole family. I pray that God gives you the strength to get through these most painful days. I also pray that, in time, He will give you some sense of acceptance and somewhere down the road, peace. Please accept our deepest condolences.

“ Terry was an IBEW electrician with exceptional talents and very fun to be around. Every time he called me "banana nose" he would crack up laughing in tears. He was also a very good union man who upheld local 130 traditions with pride. My deepest condolences to the Meyer's family and may you rest in peace brother.

*He was my baby brother and best friend. We enjoyed many vacations together and he never missed a French Quarter Festival until his illness. He was a New Orleans original! He loved Mardi Gras and was a great ambassador for the city. He always made sure that those of us who visited from out of town had a great time. His family was more important to him than anything. We spoke often about union issues. We were both diehard union members. IBEW Local 130 stood by him until the end. My children loved him as much as his own children. He taught many and helped many. Rest in peace my brother*

*Even though i hadn't seen Uncle Terry in many many years, I will always have fond memories of him during Mardi Gras, crawfish boils at my grandparents house in New Orleans East as well as holidays at his house in Chalmette. He would always ask me about my career as a Coastal Geologist because of his love of the Chandeleur Islands and fishing. He'll be missed by so many. Prayers and love to the Meyers family.*
