

Terry Carson Davis

January 6, 1946 - February 17, 2019

Terry Carson Davis

Carson went to his heavenly home on Sunday, February 17, 2019 at the young age of 73. He was a very well-known and dedicated Real Estate Broker for over 40 years. Carson had a gift when it came to commercial real estate and helped bring many commercial developments to the city of Hammond. Carson was known to tell jokes that made everyone laugh. His family often referred to his jokes as “Carson Jokes” because no one could tell them quite like he did. Carson enjoyed hunting and fishing. He was a unique gentleman who will be deeply missed by all who knew and loved him.

Carson leaves behind his adoring wife of over 30 years, Carolyn Davis; daughters, Tanya Davis and Dana Jacobs and husband James; son, Derek Pinkley; grandchildren, Sydney Costanza, Parker Costanza, Jacob Magliolo and wife Raylin, Josh Magliolo, Blake Bulloch, Haleigh Pinkley, and Hunter Pinkley; as well as a great-granddaughter, Kate Ryan Magliolo.

Preceding him in death are his sons, Timothy Carson Davis and Tyler Christian Davis; and his parents, T.C. and Lois Davis.

Relatives and friends of the family are invited to attend the visitation from the chapel of Brandon G. Thompson Funeral Home, Hammond, on Thursday,

“ Pop,

First I want to say how thankful and blessed I am to have had you in my life. You are a remarkable man and did so many remarkable things in your short 73 years. You accepted Dana and me as if we were your own children and never missed a beat supporting us, loving us, and from time to time giving advice on tough life choices we encountered. You never made us feel bad over choices we made that were not the greatest, but instead, you were understanding, supportive, and ready to give advice on how not to make the same mistake again. Thank you for loving my mother as much as you did! She tells me all the time how much you told her daily how beautiful she was. Because of you and your daily example, I am the father I know you would be proud of. You are the greatest and just know you can rest easy knowing you played such a significant role in shaping two people into the responsible people we are today. So "Go Rest High On That Mountain" and enjoy your time with the boys!

With Love forever

Carson was a person who always had time for his friends. I began school with him in the first grade. We were together from then, all the way through elementary school, through high school, all the way through college, until we were blessed to graduate together from college together.

Carolyn and family...I was shocked and saddened to read of Carson's passing. It has been quite a few years since I have seen either of you but it was always evident Carson adored you. He was always handsome, smiling and kind. His love for the Lord was always present too. My thoughts and prayers are with you. I believe his sons met him at the gate and what a joyous reunion it was.

“ I remember the very first time I met Carson, the conversation started over a ring he had on his finger, it was from an elk tooth, he was quite surprised that I knew what it was. So we had a wonderful conversation over how he acquired it and we swapped many stories that day. That was probably about 20 years ago.

He was always smiling and had wonderful things to say to me, great stories to tell, always asking how I was doing. Such a bright spot to my day. 🌻

He will be missed by so many.

My thoughts and prayers to his family.
