“ James, Dwight, Bryant, Melinda and families -

*I was very sorry to hear about Sally's illness and passing. I am sending my love and prayers your way.
As time goes by and we continue to lose more of our loved ones, we must keep our 'eye on the prize'. We must remember that we will all be joined together again one day. I honestly believe it will be a glorious reunion with much love and laughter.*

As I think back on our childhoods I know that we were very lucky to be surrounded by so much love, goodness and happiness.

We may not have had designer clothes and lots of money to spend, but we always knew we were loved by many.

So many happy times at Aunt Louise's and your Mom was always an important part of it all.

I will keep you in my prayers and know that God will take care of all.

With Love, Alicia##imported-begin##Alicia Young Jones##imported-end##
