“ One of my fondest memories of Elaine will always be a talk we had about how to make rice. I stopped by to see her and she was cooking rice and in my opinion she was making it wrong and I asked her what she was doing with that rice she started to cry and said "I'm not stupid, this is how you make rice" We have laughed and joked about this for years. It was something so small yet brought so many times of laughter between us. She was so precious , always so loving, so kind, so giving to everyone.Rest in peace Elaine and I will see you on the other side of Heaven!###imported-begin##Donna Ross##imported-end##
