

Therese Pisciotta Domiano

June 7, 1957 - July 18, 2021

Therese Pisciotta Domiano was an exceptional woman. Wife, mother, friend, educator, bakery owner, she was many things to many people. She was a powerhouse, a compact force of nature driven completely by love. Her impact on her family and this community was profound. Born on June 7, 1957 in Chicago, IL, Therese was raised in Louisiana. At age 18 she met the love of her life, her husband Paul. Together, over 46 years of marriage, they raised 5 children, John Paul, Jason, Samantha, Rachael, and Rebecca. She was a proud mother-in-law to Justin Beard, Brandon Wagner, Koy Reid, and Kelly Domiano, and an adoring grandmother to twelve grandchildren - Luca, Noah, Eliana, Jack, Natalie, Alex, Katherine, Michael, Elena, Allie, Rylee and Ryder. Although a mother first and always, Therese was an educator at heart. She valued the children of this community and spent her career working to elevate the schools of Tangipahoa Parish. Outside of the classroom, she touched the hearts of so many families, through her cakes, through her compassion, and through her undying service to others in all things. She was honored to be a part of so many lives through her work. Therese joined her heavenly father on July 18, 2021, in the comfort of her home surrounded by family. She battled cancer for 21 years, a warrior until the end. She is preceded in death by her parents, Ellis and Rosalie Pisciotta, her aunt, Katherine Ellzey, and her nephew, Ellis Pisciotta, III. Her love surrounds us even now. Therese will be missed, but always felt and never forgotten.

“ *Ms. Therese was heaven sent!!! My first encounter with her in 2020, felt as if we had known each other for years. The love that Mr. Paul showed to his wife, was an epitome of true love. May she rest peacefully with our father in Heaven. I will lift your family in prayers, and she will definitely be missed.*

“ Where do I began!! Therese was one of my best friends from 1st grade up to high school. We always shared lots of laughter and fun times. We even use to double date when we met our significant others. I'll never forget when she met Paul. Paul she absolutely adored you from day one!! I remember her saying Debbie he's the one!! We have so much in common. He's from a big family and so am I. We even have the same likes and dislikes. It's amazing! She certainly was right. You two shared 45 years together, and raised an amazing family. Even though we didn't see each other all the time it always felt like we would just pick up where we left off when we'd meet. Of course our priority topic was our children and grandchildren! The loves of our lives. I will miss my dear friend. My prayers for you Paul and the family will be on my daily prayer list. God Bless You All!! Debbie Ribando Conleay

“PGod has called home a devoted Christian. I been fortunate to have known her as a wife to Paul, mother with many talents that extended to other family and friends. Mostly I was privileged to have known her as an educator positively affecting students and so many coworkers. Words are not adequate to express sympathy to the family. Therese goes in peace from this life to a place God has himself prepared for her. In that we can all rejoice.

“ Some of my favorite memories are being part of Domiano Dinners with Hunter and Felicia, many years ago. Mrs. Therese and Mr. Paul always made me feel so welcome in their home.
