“ Tom and Lou have been good friends and neighbors for many years. When we were new in the area they reached out to us and made us feel welcomed in the community. I will always cherish the memories of working with Tom while building our church and keeping up the yard work and just sitting and sharing with each other. I will miss this man I grew to love and respect. Till we meet again Brother. ❤️❤️

“ Loved having conversations with Mr. Green about new recipes he had made from the newspaper. I especially loved the conversations at Marshall's house when the topic went to politics!!! I was always on Mr. Green's side!!! He was such a kind man and I know how much he will be missed by his family. Prayers to all of his family.

“ Tom was the kind of person that would give you the shirt off his back, even if you didn't ask for it. It's heartbreaking to know that such a good man has passed. He was the best uncle that anyone could have asked for, and always made me feel like a part of his family. I hope Lou and all his daughters will find comfort in their memories and knowing how much we all loved him.
