As a young boy Tom and I were buds. He would sometimes spend the night at my house, but more often I would spend the weekend with him. We would play, fish, and try to get away from that annoying sister of his like most 10 year old boys. I will miss the opportunity to hang out with him like two old retired guys. But knowing Tom's faith, we may still one day fish again like 10yr old boys. I'll see you again one day my true friend. We will certainly have more adventures together, and maybe even take that sister with us this time. I've learned she's not so bad. See you soon brother.
