“ *My heart goes out to Tim's family. He was a kind soul and a great runner. I remember a hot summer day in the early 80's when he and I beat the daylight out of each other with padded pvc pipes dressed in makeshift armor and pads..I had a heat stroke from all the gear. He got me water and put me under a tree..good times! He was the only long distance runner that I considered my equal and he was part of our late night star fleet battles war gaming group. I hope and trust he had a wonderful life after high school. He will be missed.*

“ *I found out about Tim's passing yesterday and it came as a complete shock. My family's prayers are with his children, his mother Joy and family. Tim was huge part of my life growing up in Baton Rouge. He was an extremely kind person and a tremendous friend. There are so many good memories of Tim that I will keep with me and think of often.*

“ *My heart is heavy as well. I can only imagine the pain that Tim's family is going through. I have some very fond memories of him while we were growing up. He was always very kind and had a gentle spirit about him. He had very funny sense of humor and lit up the room when he walked in. He will be missed. I pray that God holds his family in this time of need and that they find peace in knowing that he was filled with God's spirit and love and that he has found his way "home"... and with a warm heart...I smile..*

*Love Always,*

“ Our condolences to the family in the loss of Tim, my nephew. I know how the loss of a child impacts your life since I am still dealing with the loss of Les, Jr., who was only 49 yrs. old at the time of his death. They were both to young. There is comfort in that Tim's life reflected his love for serving the Lord.

*I am very sorry I will not be able to be at the funeral since I am still in Illinois but do know my thoughts and prayers are with all of you.*

*May God comfort and sustain you as you face the next days and months. I too still go to the Lord for understanding of loss of a child knowing a parent never expects their child to go on before them.*

*Sincerely in Gods love,*

“ My heart is Heavy thinking of this precious Family. Tim was always so kind. I can remeber him playing Army Men with my nephew Joey even though he had outgrown toys. When Tara and I were in high school, he and I loved to gang up on Tara. He was my friends little brother, and he never got on my nerves. My prayers Today go out to his Children and family.
