“ Miller fly., Skip and I have MANY memories of Timmy. I can never forget my joining the music group AFTER HOURS band. I would pick him up from his job and go straight to practice. He loved music and although playing Bass with group, he also played guitar. I know he could sing, but there was only one song he sang. Also I was asked to sing at He and Annette's wedding and the song he chose "Amazing Grace" let me know, He knows who our Creator is. Our visit with Timmy when first diagnosed assured us his knowledge of the Spirit, Soul, and Body. He told us when his time comes to met the Maker, he knows where he's going. Admitted he wasn't doing all he could for Jesus and has done a lot of wrong. But he would never deny who Salvation is through. So, only God knew Timmy's heart and gave him lots of quiet time to make SURE all is OK. May the Comforter be with his entire family. We love you all. Rhonda and Skipper
