“ *I was so sad to hear of Tom's passing. We had many wonderful memories of the Prudential crew at conferences and parties. I sure am going to miss him because he was definitely a good guy. I will pray for members of the family. Sincerely, Don Scharwath.*

“ Tom Kent Stewart was as good a man as I have ever known. We shared many good times over the years and I cherish every memory that I have of him. He loved his family, he loved his friends, he loved to hunt and he surely loved to play jokes on all of us.

When Tom Kent gave you his word, it was better than any notarized document, because he never backed down from his promise or his beliefs. If Tom knew that a friend needed help, he didn't wait to be asked, but called to offer his assistance.

Tom was fortunate to have a very devoted wife and children, especially during the past few years when his health was in decline, but he earned that love and devotion through his lifetime of love and devotion to them.

When Tom was able to travel, we went on hunting trips together and when he could no longer hunt and travel, we spent good times talking about those trips, as well as sharing stories of his friends and their exploits.

I could fill many pages with stories about Tom Kent Stewart, but all of us who knew and loved him already know, because we shared those times with him. Tom was my dear friend and I will miss him greatly.

My sincere sympathy to all the family.

“ *Tom Kent and all of you, his family, are the definition of what a real friend and loyalty means, Not only was he fun to be around, but he could always be depended upon when times were not so good. He will be greatly missed, but always remembered. It would take a book for me to talk about all the memories that we had with him, Mary Ann and the family. God Bless all of you. With love and respect.*

“ Tom and I were best friends in grammar school. I lived in Albany and looked forward to riding the school bus to spend the night with Tom and his family. His mother would wake us in the morning (early) to the smell of warm yeast biscuits. We would ride his horse named Blackjack and ride his motorbike. (I think his father won the bike in a drawing at Hammond Wholesale.) But Tom and I enjoyed each others company in a much simpler time. Being with him is one of my favorite memories.
