“ *Tracey trained me at my job and I've never known anyone with such incredible attention to detail. She cared greatly about her job, her co-workers, bosses & the company that she worked for. She had a special sense of humor & I enjoyed laughing with her. My deepest condolences go to Tyler, Deb, Ms. Thelma & family. She will always be remembered.*

“ Tracey was my baby sister and friend. Although there was a big difference in our ages, we had a special bond from the time she was born. We had family times together, worked together and even lived together at times. She thought she was funny and would crack up at her own jokes. Even when I didn't "get" some of them, I would end up laughing because her laughter was contagious. She was a loving mother to Tyler, a wonderful daughter to our parents and a trusted friend to me and others. I can't express my sadness and how much I'll miss her. Rest in peace, Baby Sister! I love you! Debbie

When I saw Tracey's picture, in the Bogalusa paper, I could not believe my eyes. The last time I saw Tracey she was 2 or 3 years old running around under foot. She just wanted to be around her big sister. My heart goes out to you and Mrs. Thelma and the rest of Tracey's family.
