“ To the Bass Family...I am so sorry for your loss. Tracy never gave up till the very end. Many of us couldn't believe his determination to show up here at work as often as he could. Tracy was a great person, always happy and always had a smile. Always remember he is never far away. Just open your heart to him when you need him and I'm sure he will be there to answer in spirit. May God bless your family at this time and always...

“ I met Tracy a few years ago at Dow. He was a wonderful person - kind, respectful, hardworking, and he always seemed to be smiling. I will always remember how he faced his trying medical conditions with such courage. He inspired me when I faced cancer to keep a positive attitude. I will remember him always for his inspiration through example.

My deepest sympathies to the Bass family as you deal with the loss of such a wonderful man, husband, father, son, brother, uncle...

Please know that my prayers are with you through this difficult time.

Remember that Tracy lives on in the hearts that he touched and memories he helped to create. I will continue to remember you all

and Tracy in my prayers.##imported-begin##Miriam

“ •God saw you getting tired and a cure was not to be. So He put His
arms around you and whispered "come to me." With tearful eyes we
watched you, and saw you pass away. Although we loved you
dearly, we could not make you stay. A golden heart stopped
beating, hardworking hands at rest. God broke our hearts to prove
to us, He only takes the best. May god bless and keep you all in his
loving arms during this time and remember that Tracy is never really
gone, you arry him in your hearts and memories. Love the
