“ Travis was my one true love and my life will be forever changed because of him. Even knowing the outcome I would gladly do this all over again. It took 3 marriages to find my knight in shining armor and though I only had him for 13 years he will forever be inside my heart. No one could or ever would replace him. I love him with all my heart and soul and every fiber of my being.##imported-begin##Gordon and Eloise Anderson##imported-end##
