“ *Chere & Shaun, There are no words that I can say or actions to do to lessen your heartache at this time. I can tell you how deeply sorry I am that you are having to feel the worst pain ever, but, although I truly mean them, to you, they may be just words. Im going to leave this to the two of you...The two of you brought a beautiful blessing into this world. Tyler was and is one of your biggest accomplishments. There is no other love than the love between a child and a parent. He was and is blessed to have had yall as his parents. As he sits alongside our Great Lord in the heavens, he is looking down at all of you with much love. Although, he isn't here on the physical sense as I know you would so very much want, he will always, always be with you in your heart, thoughts, and dreams. When you need him, close your eyes and become silent. You'll be able to see, hear, feel, and smell him. You were incredibly blessed to have him as your son on Earth, and you are equally blessed to have him as your guardian angel. May Tyler's spirit and love, and Our Great Lords arms cradle all of you as they carry you through the upcoming days. My sincerest and deepest condolences go out to you. Many, many hugs, love, and prayers!!##imported-begin##Carli Adams (Traylor)##imported-end##*
