*I wish that I could've been there before you left. It's easier to know that you're free of pain and in a better place. I love you and you'll be forever missed.*

*I remember Ms Gregoire from childhood. I used to hang out with Uncle Melvin at their house. I'm not sure why because I was about 7-8 years old but the home was open to me and Melvin and Ms. Gregoire opened their home and were kind. I've always remembered going to their house in Nawlins. I remember she would take time to sit and talk to me. You know that never changed through the years. I would like to just sit with her during Thanksgiving when everyone was running around I would just sit and just chat with her. Dear souls are always missed greatly.*
