“ Brother Wolfe was a dear friend of mine. I am very sorry I could not be at the services today. He helped me through some very difficult times in my life. He was a man of God and an inspiration to me. May he be in the Light of Gods love and may God help you all through this difficult time. With Kindest Regards, Kenneth Sherman

“ Duain, David and family, we want to offer our condolences and prayers to each and everyone of you. Vernis was so very special to all of us. Growing up as a little girl he and iris were always a part of my family's life. We shared many meals and good memories through out the years, He will be missed by all who were blessed to know him.

“ Vernis Wolfe and Happywoods Church have been inseparable thoughts in our memory for many years. Earlier memories of Vernis and Iris go even further back to his pastorate of the Oregon, Illinois Church. At that time I was a student at OBC. I was fascinated by his approach to the presentation of the Gospel and his knowledge of the entire Bible. Throughout my adult life we worked together on General Conference and OBC committees with the utmost respect for each others ideas and I was invited to conduct some weekend seminars at Happywoods--that is where I learned about the goodness of Jalapino peppers, crawfish and strong coffee. Lois and I still tell stories about those delicacies first encountered in Hammond under the mentorship of Vernis. Traveling with Vernis, one could count on him ordering coffee with his meals and immediately spiking it with multiple spoons of instant coffee he carried in his pocket!

*We hold a lifetime of love and respect for Vernis Wolf and shall keep that feeling alive in our hearts until we are reunited in God's Kingdom.*

“ Vernis was a good friend of many years. We shared work at the Albany-Hungarian Presbyterian Church and the Amite-Arcola Presbyterian Church. We found in our monthly get-togethers that we had a lot in common. He will be missed.
