“ Vicki, you were always "little Vicki". You will always be everyone's "little Vicki". It's a shame we did not realize as kids what a special gift you were; but as an adult, I do realize how special you were. I will always have sweet memories of you and all of the years we went to school together at Holy Ghost. You were such a sweetheart. Never unkind to anyone. Sweet Vicki. God Bless you. I know he will take good care of you. Even though it has been years since I have seen you, I will always remember you and your kind heart.##imported-begin##Laura Schillage Latino##imported-end##
