

Vickie Jones

December 30, 1963 - February 22, 2025

It is with great sadness that we announce the passing of Vickie Jones. Vickie passed away on the morning of February 22, 2025, surrounded by her family and friends. She was born on December 30, 1963, to Alex and Leatrice Vampran. Vickie grew up in Kenner, LA, and moved to Ponchatoula in 1975. She graduated from Ponchatoula High School in 1982 and was employed at North Oaks Medical Center for over 18 years. Vickie met the love of her life in 1986 and shared 34 beautiful years of marriage with her husband Brian “BJ” Jones. Together, they created a home filled with warmth, laughter, and love. Vickie and BJ were known for hosting fun and unforgettable gatherings at their home, always welcoming friends and family. Vickie’s outgoing and fun-loving spirit is what we will cherish most. She never met a stranger and had a way of making everyone she met feel loved and seen. To Vickie, family and friends were her greatest treasures. She had a heart of gold, and to know her was to love her. Vickie is remembered by a very close circle of friends and work family who were blessed to have shared in her love and friendship.

Vickie is survived by her beloved husband, Brian “BJ” Jones; mother, Leatrice Pinion Vampran; brother, Chris Vampran; sisters, Kim Vampran Prokop (Alex), Michelle Vampran Watkins (Michael); mothers-in-law, Patricia Jones, Rita Wall; brothers-in-law, Artie Jones II (Manti), Paul Jones; sisters-in-law, Tyra Jones, Carrie Granier (Michael); as well as her many nieces and nephews. She is preceded in death by her father, Alex Vampran; and father-in-law, Artie Jones.

A special thank you to all who supported Vickie in her battle with liver cancer. All of your prayers, donations, and kind thoughts/words did not go unnoticed and gave her hope through it all. We also want to extend a heartfelt thank you to Vickie's professional medical staff: Dr. Charles Ducombs, Dr. Zacharia, Dr. Tanios, Dusty Garafola, and Mary Ransom.

“ What a beautiful soul that has left this earth to be with our Lord. I knew Vickie from being a patient of Dr. Zachariah whom she worked for many years. She was the most kindest sweetheart of a person I knew. A living doll is my best description of her. The world will not be the same without you my girl. But God loved you more. Prayers for your family and everyone that knew you. Fly high my angel and I'm sending prayers for your family as they go through this terrible loss! You will be so terribly missed & no one will ever be able to replace you!!! Love you Vickie!!!

“ Without a doubt, VICKI will always remain the most caring, friendly, cooperative, happy person EVER. She was the ages of my own children during high school years. Without a doubt, Heaven Has Another Angel. As a patient at North Oaks Clinic, I always chose her for help with appointments, etc.... I read her obituary today, Wednesday. The JOY this precious lady shared with others will forever be in my heart. We need more People living their lives as “VICKI” did. Heaven will be a better place with the joy of VICKI JONES living in the hearts of those who knew her. My prayers are for her influence to be remembered in every one’s hearts who knew her. MY TEARS ARE FALLING AS I WRITE THIS TRIBUTE ABOUT THIS ANGEL.💕💕

“ I'm so sorry to hear this sad news. Like so many others, I will always remember Vickie's beautiful smile and kindness when she greeted me at that front desk of the clinic. She went out of her way to make a trip to the doctor as pleasant as possible.

Sending my condolences, thoughts and prayers to all of Vickie's family and friends at this most difficult time. She was a beautiful person who touched many lives.

*Sincerely,
Karen Brown*

“ *A tremendous loss. Vickie's sweet smile and sincere friendliness made days brighter for countless numbers of folks she met daily. And how she personally remembered names across the years was an extra special gift she shared. Only one Vickie!*

“ *I knew Vickie many years as she worked with Dr Zachariah(my PCP) at the time. Always worked me in when I was sick. Never too busy to not try to give encouragement for our sickness. She loved her niece VERY much & wanted to help her in anyway she could. If all the staff was as caring as Vickie, what a wonderful hospital (clinic) it would be! Praying for you family!! You were blessed to have memories with this lady!!*

“ *I first met Vicky in 1976, on our 8th grade playground. She has been a blessing to know ever since. I've read so many wonderful things written about her, and I can only add, that when I transferred to that school, and knew no one, she was the very first to come over and welcome me there. That's the person Vicky was and will always be in my heart . Rest easy Vicky, we'll all be along sooner or later 🙏*
