“ Dearest Mona and Family, What a perfect picture of our "Miss
Vivian". The angels in Heaven are blessed to be enjoying that
beautiful smile. Miss Vivian was a wonderful Christian lady with a
true loving spirit. She was a part of our family for the years that she
took care of my mother (Lillian Conner) and will always have a
special place in my heart. She was an inspiration to me and her love
and steadfast help kept me going through some trying times. I'm
sure that she's the most precious flower in God's garden today. Our
love and prayers are with you and your family. Take comfort in
knowing when we get to Heaven she'll be waiting to greet us with
her arms open wide and that beautiful smile on her face. God bless
you and keep you through the days to come.

“ *Mona and Terry:*
I love the picture you posted with the obituary because it is just how I remember your mom when I last saw her at a party at our house. She was such a delightful and cheerful person. We are thankful to have known her. You and your family are in our thoughts and prayers.##imported-begin##Jana Dickerson##imported-end##

“ *My thoughts and prayers are with you all. I loved Vivian so much...she was always such a joy to be around and her and MawMaw always had SUCH a good time together. I'll always remember the way she never called me anything but "Little Jackie" because I look so much like my dad. May the Lord's comforting arms surround all of you at this time.*

Love to all of you,
