“ I have not seen Walter Jr for many years. There are memories that stick out in my mind about my cousin Walter and that was his Black Tran Am; man I loved that car and it indeed did fit his personality. I also remember him building huge bon fires out at Uncle Walter and Aunt Gwenny's house. He always had a great smile,loud laughs and was really fun to be around. I hope that Uncle Walter,Aunt Gwenny,Sherrie and Elisa are holding up okay,my heart goes out to you. I Also miss my Cousin Winston very mutch too! He was such a character! As the years go by and news like this hits you, it makes you realize how short life is and how you should live each and every moment. Forget about the smart phone,the news and the rest of the useless distractions.Stop and look at the little wonders of life. I live in Montana so I do not have the opportunity to see family mutch but I want them all to start taking great care of their health and to get busy making memories and taking adventures. Walter you will be missed. :(

“ So do not fear, for I am with you," do not be dismayed, for I am your God.  
I will strengthen you and help you; I will uphold you with my righteous right hand.  
This is one of the many quotes from Walters FB page, he loved scripture. You will be truly missed brother in law. I know you and Winston are safe with the lord. Prayers and love for this family.
