“ Pam,

Jan just sent me an email about your dad. I am so very sorry for your loss. Losing a dad is hard because there will never be another one to replace him. Please know I love you and my thoughts and prayers are with you and your precious mother as you try and deal with the emptiness you'll feel. It will get easier with time but I know right now it feels like a light has gone out of your life. Lean on Jesus for the peace and comfort only He can supply.##imported-begin##Anita Thompson##imported-end##
