“ Words cannot describe how much I miss you. I wake up from a dream of you and I just want to cry because you're never coming back. It hurts so much. It feels like I should be crying, but I haven't. I can feel the tears in my eyes but they won't ever come out. Should I cry or should I be happy cause I know you aren't suffering anymore? I haven't deleted your number from my phone because I'm hoping you have it in heaven with you just so I can hear your voice sometimes. I just want to call you everyday to see how you are feeling, but I know you won't answer. We were gonna come see you the weekend you passed. It was going to be me, Jessi, and daddy. You were going to be able to see your girls one more time. I wanted to come see you when you were in the hospital but everyone said it was a bad idea..I should've went anyway. I wish you were here for me to tell you about everything that has been going on lately, and it sucks to not hear you say how proud you are of me and what I've become and what I'm going to be. The tears are finally flowing and I guess its a good thing, I don't know. All I know is that I miss you tons. I love you. Rest in sweet peace.##imported-begin##Nashe' Decker##imported-end##

“ Don, Nicole, Dawn, Mrs. Desemar, Mr. Clarence, Richard and Brian:

I am so sorry for the passing of Wendy. Time has grown between us, but I will never forget the good moments shared in college at SLU.

Wendy was a special person. She had a wit, a way of being a big sister, but also a dear friend. The times we shared, we had moments of fun, moments of worry and moments that will be remembered forever.

Don and Brian especially, know that I will keep the family in my prayers. I was out of town on the day of the service and did not realize it until I read the message on the way back from my trip.

May God's blessings be with the entire family.##imported-begin##Charlie Deubler, Jr.##imported-end##

“ *Love is stronger than death even though it can't stop death from happening, but no matter how hard death tries it can't separate people from love. It can't take away our memories either. In the end, life is stronger than death. Wendy will be sorely missed but she is no longer in pain. She is now with her two older brothers causing havoc in Heaven. Imagine all the mischief they are up to. We love you.##imported-begin##Monica and Richard Decker##imported-end##*
