“ *Loved this woman. She always had a smile on her face and a Pep in her step. I remember sitting next to her in church and she would pay her hand on mine as though she knew I needed a live-pat at that moment. She was the sweetest person in the world. She will be greatly missed. Thoughts and prayers go out to family .*

*This is a beautiful woman that loved her family. I admired this lady's love of her grandsons she was so proud of them. She loved her animals also they brought her great comfort and love. Wilhelmina had a great memory of her life with her Daddy whom she expressed great love for. I love listening to her talk about her family. She was a independent woman who loved to dress up and have her hair done and look beautiful and she was. I have good memories of Wilhelmina and I know because she told me of her faith and belief in Jesus Christ so I find comfort in knowing she is where I want to be in the presence of our Savior worshiping the King of Kings and Lord of Lords. This life is short but eternity is forever. I pray for all the families of Wilhelmina for Gods peace and Gods comfort to surround them and I pray each person of this family to know Jesus as there Savior to know they have eternal life. May I never forget you sweet lady*
