“ *Glenda and family...My heartfelt condolences in the passing of your sweetheart and living husband. Clearly he adored you and was always a well dressed southern gentleman. It has been many years since I met you two. It was shortly after you were in the bad accident in front of the dealership. Your recovery and safety was his utmost concern in looking for another. I admired your devotion to each other. God comfort and keep you all.*

“ *Dad Bill was a good father and father in-law to me. I regret that we did not see in person. But he is very kind and loving person, a God fearing man. I know he is happy now looking down from heaven.*

Prayers for the family.
