This is a beautiful tribute to Mike and he deserved it! I saw him only a few times but he was always very friendly and kind. He was also nice-looking. I love the family photos. The family is still in my prayers for peace and comfort.

“ *Mr. Mike was one of the nicest men I've ever met. He would ride his scooter up to Mariners to come hear me sing and we would have some great conversations. I loved that man and all his stories and that smile, he had the best smile. To hear him laugh would make my night. I've just found out he passed away and my heart hurts to know that I'll never hear another story about Willie and him, lol, or that I'll never see that twinkle in his eyes, that smile and that chuckle when something made him laugh, ever again. I will miss him very much. But I know I have another guardian angel looking over me now. I love you, Mr. Mike, rest in peace, I'll be sure to sing one for you at every gig. I will miss you.*
