“ I got to know your Mom when Eldon played baseball in Independence with my son David on Joe Coslan's team! Then the boys played baseball together at Pompeii Park when you got older! I managed the Independence Branch Library when your Mom worked at the Parish Library. She always had a smile on her that would light up a room no matter how she felt inside! I have always thought of her as being the sweetest person and never had a bad word to say to or about anyone! She has to be smiling in Heaven and watching over all of you!##imported-begin##Sannie Bonfiglio##imported-end##

“ I will miss seeing Dee's beautiful smile at work. She has been a wonderful co/worker and friend to me. Dee was a person of strength and honesty in whom I admired and looked up to. She thought the world of her family and was so proud of her grandchildren. Her beautiful smile got even bigger when she'd talk about her grandbabies. I pray for peace as you go through this time your lives.##imported-begin##Ann Gomez##imported-end##

“ *I've only know Mrs. Dee for the past 6 months, but in those short months I feel as though it was a lifetime. She taught me shortcuts at work and kept me laughing daily. It breaks my heart to know she's no longer with us here on this earth, but instead is pain free with the angels. Until we meet again, Mrs. Dee. <3##imported-begin##Holli Bobo-Portier##imported-end##*

“ *Dee was such a friend. I always knew where I stood with her. She taught me how to work the front desk at the Library. She was such a hard worker. I never did out work her. Many a time she lent me a sympathetic ear. I admired her determination. I hope Dee's family has comfort in knowing Dee is at rest and peace now. Her love for you all should continue through how you love one another.*###imported-begin###Melissa Verrett###imported-end##
