“ *This Poem Represents Our Life & Our Family Perfectly
And Being Blessed to be Part of It Leaves Me Speechless:*

*Family is,
heaven sent from our father above,
bonded by the power of love.
No matter what family has each others back,
when push comes to shove.*

*Family is,
understanding, never demanding,
all for one and one for all,
I will never leave you alone standing.*

*Family is,
one in itself, my love is your love,
your pain is my pain, my wealth is your wealth,
I promise to never leave you by yourself.*

*Family is,
the strongest team, the strongest unit;
if love could be visualized,
family would be the blue print.*

*Family is,
forgiveness and patience,
it's sweeter than the sweetest fragrance,
the power of family is a reflection of Gods compassion and
magnificence.*

*Family is,
never turning our back, and never shames,
lend my helping hand and not a finger pointing the blame.*

*No matter what a family bond can never be broken,
if one of us lives we all live.*

Forever to eternity, we are family.

See You in Heaven my friend.##imported-begin####imported-end##
